BPT Was at the AAD 2022

BPT was exhibiting at the Africa Aerospace and Defense Exhibition in Waterkloof Pretoria from 21 - 24 September 2022

BPT had participated in many of the previous AAD exhibitions in previous years. This year just felt more special after covid restrictions postponed the exhibition by almost 2 years. We are proud to be one of the world leaders in our field and are proudly South African.

The exhibition was everything we expected and would like to thank all our stand visitors for networking with us.
